

Amy Yee Tennis Center Strings, Grips and Accessories

Strings (prices include string and labor):

Wilson:

Sensation 16 gauge (thicker) micro-fibers with nylon composite coating for very good playability and good durability at a moderate price **\$30**

Optimus 16 gauge playability of a multifilament with co-polymer fibers to help maintain tension **\$30**

NXT 16 & 17 (thinner) gauge – a multifilament string bonded with polyurethane for excellent playability and shock absorption. If you have arm or shoulder injuries this string is an excellent choice. **\$36**

Luxilon 4G 125 (16L) similar to Alu Power. Holds tension longer **\$36**

Luxilon Alu Power 125 (16L) A popular string among tour players. It offers good power, durability and control. **\$36**

Ultimate Duo – A hybrid that gives players the advantages of a Luxilon poly string and the playability of NXT **\$36**

Gamma:

TNT 16 & 17 gauge – a high performance string with very good playability and good durability. Pearl nylon coating gives it a crisp feel. **\$30**

Synthetic with Wearguard 16 & 17 gauge – A good all around string w/wear resistant coating for long life **\$25**

Labor ONLY (you provide your own string) **\$18**
